GC Tooth Mousse®

TOPICAL CREME WITH CALCIUM AND PHOSPHATE

INDICATIONS

GC Tooth Mousse® is a medical device designed for protecting teeth.

• Provides extra protection for teeth
• Buffers dental plaque acid from bacteria in the mouth
• Also provides a increase in tooth mineral content

CONTRAINdications

GC Tooth Mousse® (CPP-ACP)® is an adaptively designed toothpaste. This product contains calcium and phosphate. For some individuals, it may be contraindicated if the following are present:

• Pregnancy or lactation
• Acute inflammation of the gums
• Sensitivity to CPP-ACP

APPLICATION

You should discuss with your dentist how often and for how long you should apply GC Tooth Mousse. Application should occur after brushing teeth. In most situations, morning and night application is advised. GC Tooth Mousse® may be beneficial for patients of all ages including children.

At home application:

1. Dry and right-globe application after tooth brushing by recommending a dental floss.

1. Open a package of amount of GC Tooth Mousse® on a dental floss.

2. Apply to all teeth with a dental floss and use any tongue to spread around evenly.

3. Leave the Tooth Mousse® on for a minimum of 1-2 minutes, avoid spitting out and swallowing. Saliva will enhance the effectiveness of GC Tooth Mousse® and the fluoride will help stimulate calcium and the longer GC Tooth Mousse® and saliva are maintained in the mouth, the more effective the result.

4. Dispose of excess. Any GC Tooth Mousse® remaining on the surface can be left to gradually dissipate. Avoiding this product not to eat or drink for 30 minutes following application.

5. Any residual GC Tooth Mousse® in the tray should be rinsed or brushed off under running water immediately after use.

6. Any tray not application. A new tray should be used for each application.

FLAVORS

Strawberry, Melon, Vanilla, Mint, Tutti-Frutti

STORAGE

Recommended for optimal performance: store in a cool dry low humidity area away from direct sunlight

TOPICAL CREME WITH CALCIUM AND PHOSPHATE

GC Tooth Mousse®
