Love your smile

with RECALDENT® Advanced

Long-lasting flavoured gum in Mint

Chewing RECALDENT® Advanced sugar-free gum with long lasting flavours helps stimulate saliva flow. Saliva keeps our mouths healthy and is nature's way of protecting our teeth.

Recommendation: RECALDENT® gum

Name of Patient _____

File _____ Date _____

You have been prescribed RECALDENT® gum to help:

Chew RECALDENT® gum:

One piece 3 times per day after eating

Two pieces 3 times per day after eating

RECALDENT® Advanced chewing gum contains PHENYLALANINE. Excess consumption may have a laxative effect. Do not use if you have allergy to cow's milk proteins or soybean derived products.
